PANAMA:**Situation Report**

[REDACTED]

[REDACTED]

**Bankers Still
Concerned**

Although the regime has ordered banks to reopen next Friday, bank officials are concerned that low cash reserves and operating limitations will derail the process.

[REDACTED]

[REDACTED]

Clearinghouse operations performed over the Easter holiday will provide a clear indication of the extent of bank liquidity. Forcing cash-poor banks to reopen might precipitate financial chaos and spark renewed civil unrest.
